## Indicative Payment Plan

Student ID:

Student Name:

Course:

Start Date:

### Pay Monthly

Tuition Fees: £ 13,427.00

**Total Tuition Fee Payable £ 13,427.00**

### Payment Schedule

Year 1 Annual Tuition Fees: £ 6,713.52 *\* paid in 12 monthly instalments*

Year 2 Annual Tuition Fees: £ 6,713.48 *paid in 12 monthly instalments & subject to annual fee increases*

**Total Tuition Fee Payable £ 13,427.00**

**\* First monthly instalment due upon acceptance to reserve your place: £ 559.46**

Future monthly instalments due on 7th of each month.

To make a payment, please use your [unique payment link](#). Please note, our [Online Payment Portal](#) enables you to set up automatic monthly payment instalments.

### Payment terms

- Payments are due in line with this payment plan.

Total payment amount = (desired monthly payment amount) x (desired instalment plan length)

For example, if your monthly tuition fee is £500.00 and you wanted to automate your next four monthly tuition fee payments, you would enter £2,000.00 as the total amount.

For guidance regarding your tuition fees, please refer to your Payment Plan (sample shown on the left) or contact the relevant university finance team.

## Select your preferred payment method

**Best Price Guaranteed** Subject to terms and conditions

**SINGLE PAYMENT**  
Pay £2,000.00 at once

**INSTALMENT PLAN**  
Pay £2,000.00 over time

### Configure your instalment plan

**Note:** The actual amount of future instalment payments may vary and will be calculated based on Flywire's applicable rate.

Info

From this point onwards the process is identical to making a one-off payment.

This involves logging into your Flywire account or signing up to create a new one. This will enable you to review and track the status of your instalment plan and other payments by signing into your Flywire account.

After you have confirmed the payer and student details, you will be prompted to review and confirm your payment.
